

En Bee

1952

FORWARD

It has been the aim of this year's En Bee staff to present a year book based on the present but built for the future. We hope that this book will tell a complete story, one which embodies the intrinsic spirit of the school. If we have succeeded in achieving a tangible representation of the feeling of the students for their school in this school year, we have accomplished that which we set out to do.

The Annual Staff

1952

School Help

JANITORS
Mr. and Mrs. Maurice Braeckevelt

Mr. and Mrs. Braeckevelt kept the school clean and shining. We shall miss their cheerful help which they gave during our senior year. Mr. Matheny, who is not pictured on this page, was not only a school engineer but a friend of all the students.

BUS DRIVERS
Maurice Hough, Ducky Holloway, D. C. Fast

The bus drivers brought the country students in to classes through all kinds of weather. Because they made good driving a habit those daily trips were lots of fun and many very happy memories remain.

COOKS
Mrs. Tracy and Mrs. Miller

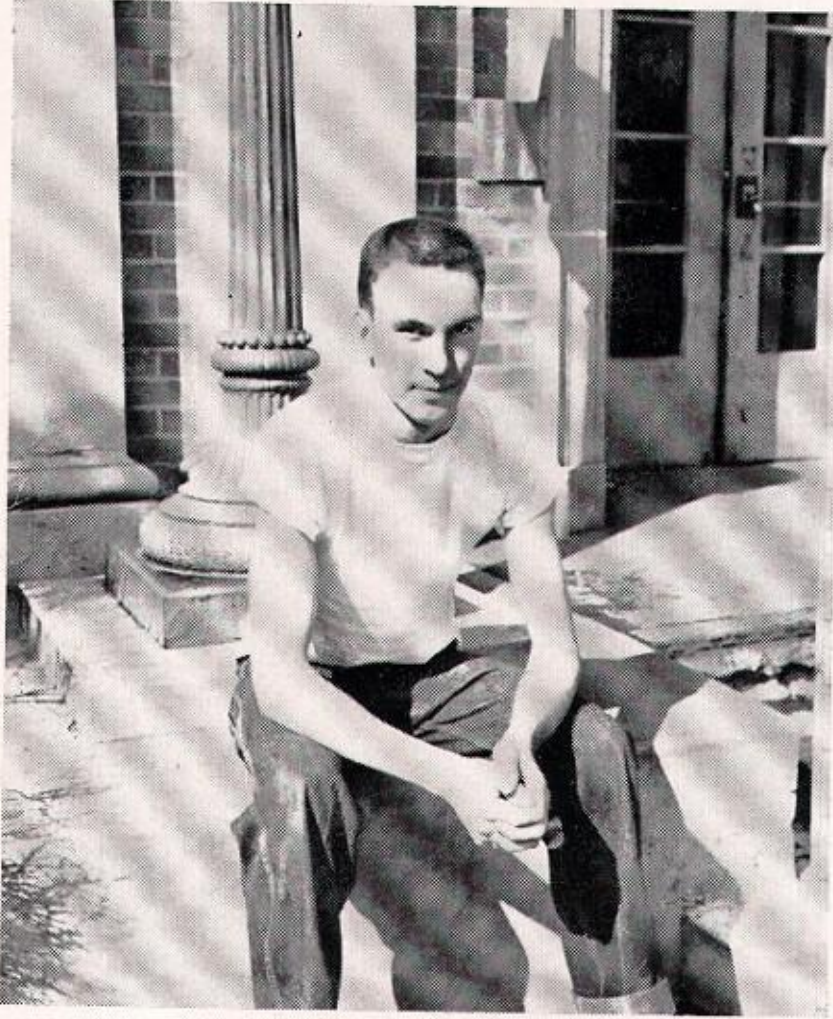

Mrs. Tracy and Mrs. Miller cooked those good hot meals which we all enjoyed during the school year. Good healthful meals were their aim. They aided the Home Ec. girls at all times and never seemed to mind the brews they made in class. When ever the class had need of the school kitchens they did all they could to help them.

Thanks to everyone who helped make our last year such a nice one. Without them it wouldn't have been such a memorable year.

Prophecy

It is now the year 1962 and one classmate is writing to another just before the class reunion in the fall .

Dear Ellen:

Yesterday our old friend and classmate Sharon dropped in to see Don and me. Old S. George lives out west now and was on a tour of the nation.

Mary Lou is, of course, Ohio's famous woman senator. Some of her debates (?) have received world attention. Wanda Cook is her personal secretary, and I hear from her that Bill is going to write a book titled "Lady Senator" or "Heaven Help the Nation."

Bob Kelley went out west after graduation and liked it so well he bought a ranch after he was through college. About two years ago our old pal Jim Clements went out to visit him. Bob gave (?) him a partnership. Jim still maintains it would be faster to milk those Jerseys by machine. Bob says it's cheaper and besides Jim does it so well on the present set up.

Sharon Fast went to college as you already know and then married Bambi. Her fast growing baseball team is Jim's pride and joy. Another arrival is expected in time for spring training.

Bonnie Carmean and Sue Gardner moved to New York after graduating from school. Guess what they're doing? Yes, they're models! It's their bright and shining faces we see on all the magazine covers.

Did you know that Elaine Hoffsis was married last week. Gerald Toth finally popped that certain question. Enid Cupp has 12 children now. She saw Elaine the other day and now I guess Elaine wants 12 too . Maybe they are cheaper by the dozen.

John (Archie) Andrews is engaged to three girls now. That is at last report. I hear he'll decide one of these days which one is the nicest. John has his own

disc jockey show and wouldn't you know "Perfidia" would be his theme song. Just like the good old days.

Lois Ziegler is now a navy wife. Last any one said they lived in China. Lois said they would try and be home for the reunion this year.

Ralph Francisco joined the Air Force and became a jet pilot. Now he's a stunt pilot in the movies. The women adore him I understand.

Dick Fittro has realized his life-long ambition. He retired the day after he graduated and was a multi-millionaire before he was 35. (Dick married a v-e-r-y-rich woman.)

Nancy McLaughlin joined the Waf's and is Captain now. Her new post in Arabia is really something out of the Arabian Nights. Nancy said in her last letter that she saw Sonny Risser, Joe Shafer and Puz Jimison. Seems they joined the Foreign Legion to escape women.

Robin Hess went to beauty college and has the nicest beauty salon in Toledo. Her most beautiful customer is Dorothy Deter. Deet is married and has an onion farm right outside of Toledo.

Danny (Mario) Mumy, famous television singer, has gone into the bakery business selling shortnin' bread. I hear he made enough dough to retire.

I read another report in the paper yesterday about the new Secretary of the Treasury, John Sponsler. His clean up campaign is really hitting the headlines. Now that Taft is in office, John's life is content.

Tom Monasmith has his own pool room and the present crop of Jr's and Sr's hang out there. Norm sold out to Moni after the fellows left for college. He said life was too dull with our boys gone.

Florence Lafferty was editor of B.G.S.U.'s annual her senior year. We always said Flo would be late for her own wedding and she was.

Joanne Toth is back from an extended tour of the nation concerning her new book "Bubble Gum." She always did love gum.

Guess what! Ellen Paula Rockwell is now Mrs. Gus. After college she came back to N. B. and teaches English at the old grind. The old home town now has a Mrs. Brooks.

Well that brings us up to date. Be seeing you this fall.

Lots of love,
Leaflet.

Junior Class Presents "Bill's Night Out"

Did you ever wake up on a bright and sunny morning and remember you wrecked your family car? Well, Bill Anderson did. He wrecked his father's car while trying to impress his girl, Patricia Harris. The day after the wreck Bill's father tells him to get the car in condition, because he wants to take his new boss to play golf. That's right, Pat's father is the new boss, and since Pat had come home with a black eye from the wreck. Mr. Harris was on the warpath. He was determined to find the driver of the wrecked car—namely Bill. At last they find the family car has been sitting in the drive way all the time, and in the same-as-always condition. This must mean that Bill had ruined someone else's car. Interesting question, "Whose?" Then to add zest to things, Bill's little sister tries to buy a hundred pounds of candy with a marked bill from a bank robber. Bill needs \$1,000 to fix his car, while worrying about his lack of money his little sister removes her father from the closet where the bank robber put him. Bill gets wind of these strange goings on and captures the bank robber. Gets the \$1,000 reward. Now he can fix the car.

Homecoming Celebration

The North Baltimore Homecoming Game and Dance were held on Friday evening, October 26. The local squad played hard but lost to Rossford by a score of 26-20.

On Thursday, October 18, nominations and elections were held to decide a queen and attendants. Those elected were: Queen, Donna Prosser; Maid of Honor, Mary Lou Damon; Attendant, Mary Jo Monasmith.

Preceding the game, the queen and her attendants were driven to the football field in a procession thru Main Street. The procession was led by the local Senior Band.

The Queen was crowned between halves in an impressive ceremony by the gridiron captain, Bill Winkle. Bobby Lafferty was crown bearer. The field was darkened and the band formed a crown with lights mounted on their hats while playing "Let Me Call you Sweetheart" in honor of the queen. Also during half-time, the band performed various formations such as "R" in honor of Rossford, Beautiful Ohio, and an N. B. for the Baltimore fans.

After the game a dance was held in the school gymnasium at 10:15 p.m. and continued until 12:00 p.m. The queen and her attendants reigned over the dance. A very large crowd attended.

THEIR MAJESTIES

Hallowe'en Festival

A huge crowd of more than three thousand persons lined North Baltimore's Main Street and attended the annual Halloween festival at Memorial Field Wednesday night to witness the largest of masked processions held here in recent years.

The colorful parade, featuring six school bands, contained a long line of masked contestants, nearly a score of colorful floats entered by various organizations of the town, and the convertible autos containing the five contestants from surrounding schools entered in the queen contest.

As the parade wended its way through the downtown business district, the start of the long procession reached Memorial Field and passed in review before the judges stand. As the remaining entries in the parade reached the field and passed the stand, the floats, bands, queens and contestants were assembled over the field while the judging took place.

North Baltimore Festival Queen, Miss Donna Prosser, and her two attendants, Mary Jo Monasmith and Mary Lou Dameron, rode on the Chamber of Commerce float especially prepared for the queen. Miss Prosser was not a contestant in the Queen contest, but was awarded a government savings bond.

Bonny Griffith of Van Buren was selected for first place in the Queen contest. Norma Sheerer, of Hoytville was selected for second place by the judges. Three prizes were awarded to the remaining contestants, Winifred Lee, of Bloomdale; Donna Beck, Liberty; and Jackie Hudson of Cygnet.

The first meeting of the Tri-Hi-Y was held on September 24. This was the annual "big sister party" for sophomore girls, and was held in the North Baltimore park. The girls voted to be affiliated with the YMCA and to be known as the Tri-Hi-Y instead of the Y-Teens.

The informal initiation was held on October 12th in the Methodist church. After the induction for the new members by the officers a tea was held.

A Hi-Y, Tri-Hi-Y convention was held at Fostoria on November 17. Four members represented our organization.

At the regular meeting held on January 28th, Mrs Gross, who has taken a course on Parliamentary Procedure, spoke to the members on this subject.

A Hi-Y, Tri-Hi-Y district meeting was held at Findlay on February 6th. Sharon Fast was chosen to represent the Tri-Hi-Y at this meeting.

During the winter, the Tri-Hi-Y and Hi-Y had joint swimming parties in the Findlay Y M C A building. The girls also treated the boys to a pot luck supper at a meeting held on March 31 in the school cafeteria.

The customary Mother-Daughter banquet was held on May 5 in the school cafeteria.

The North Baltimore chapter of the Hi-Y began the 1951-52 school year with only five members. These five were all seniors and had joined the Hi-Y the previous year. Seventeen new members were taken into the organization at two induction ceremonies held in the Methodist church—one in the fall and one in the spring. This made a total of 22 boys and the two advisors, Mr Chilcote and Mr Fast.

This was the first year that the North Baltimore Chapter practiced the open membership policy. This means any junior or senior boy may join the Hi-Y.

The Hi-Y sent representatives to the Hi-Y camp (Camp Pittenger) and to the Hi-Y conferences held at Fostoria and Findlay. The Hi-Y members planned and participated in combined meetings and in swimming parties with the members of the Tri-Hi-Y. Together with the Tri-Hi-Y members, they planned and took part in the Holy Week Services in the school.

In the spring the Hi-Y members set aside a program devoted entirely to movies. Throughout the year the programs included speakers and discussions, and sometimes recreation in the gym.

The Hi-Y sold copies of the "First and Ten" magazine, an Ohio high school sports magazine, in order to obtain the funds for the affiliation with the National Y M C A.

In 1949 a group of high school students known as the "Assembly Committee" was organized for the purpose of planning monthly assembly programs for the high school. It soon became apparent that there was much more work that could be done by such a group, so in 1950 a constitution was drawn up, officers were elected, and the name was changed to "Student Council." Five teacher-sponsors were appointed who were responsible for assisting the students in recommending, planning, and promoting worth-while activities. Luncheon meetings were held every two weeks, during which time business was transacted.

In addition to planning outstanding assembly programs, during the school year of 1951-52 this organization was responsible for the Hall Monitor Plan, the March of Dimes Campaign, the lining of the trophy case, and the initial steps for a Student Placement Bureau. Every effort possible was expended to support projects such as "The Call" and the Easter Seal Campaign. A committee is now working diligently to bring about better citizenship practices on the part of the high school students.

Hall Monitors

Front row—Eddie Creeger, Mary Anne Krontz, Ann Sesok, Ina Moore, Sandra Sewell, Helen Ferguson, Patricia Sheffer, Jane Ann Lloyd, Maxine Benedict.

2nd row—Francis Anne Ives, Vivian Werner, Mary Matuska, Sue DeArment, Judson Clements, Howard Wymer, Jack Miklovic, Denny Dennis, Charlene Cunningham, Nancy Jeffery, Leah Rae Lovell.

3rd row—Kay Lear, Nancy Dodge, Nita Lloyd, Judy Walter, Beverly Blackman, Joyce Overmier, Shirley Smith, Arlene Freed, Barbara Deter, Elaine Adams, Janis Minks, Susan Roth, Janet Creeger, Mr. Chilcote.

Upon recommendation of the Student Council, the hall monitor system was established in October, 1951. The purpose of the system is to observe and record all activity in the high school halls during classes.

Three students are selected each period to serve as monitors. One at the end of each corridor and one at the intersection of the two corridors.

Any student moving in the halls during class periods must have a hall pass issued by his teacher.

Any visitor to school, after securing a pass at the office, is checked and assisted by the hall monitors.

Since establishing this system, conduct in the halls has been greatly improved, and it is felt that hall monitors have been an asset to the school.

National Forensic League

In 1950 there were three members of the National Forensic League. Since that time we have reached a total number of ten members. But have only seven active now after two graduated and one moved away.

This year three degrees of Excellence were earned. Those earning them were David Luse, Barbara Deter and Sue DeArment.

Arlene Freed also had this degree which was received in 1951. This is the highest degree earned by any student in our chapter.

The main activity of the members in our chapter is debating. The record this year was ten wins and ten losses.

The league also sponsored a Square Dance in April to obtain funds for the purchase of debate materials on next year's topics.

The second team was made up of Lucille Andrews, Franz Carleton, Joyce Bursiek and Jim Overmier. We added five wins and one loss to our record and tied for first place.

The third tournament was held at Delaware. The varsity team was entered. Lucille Andrews also entered the declamation contest. We came home with two wins and four losses.

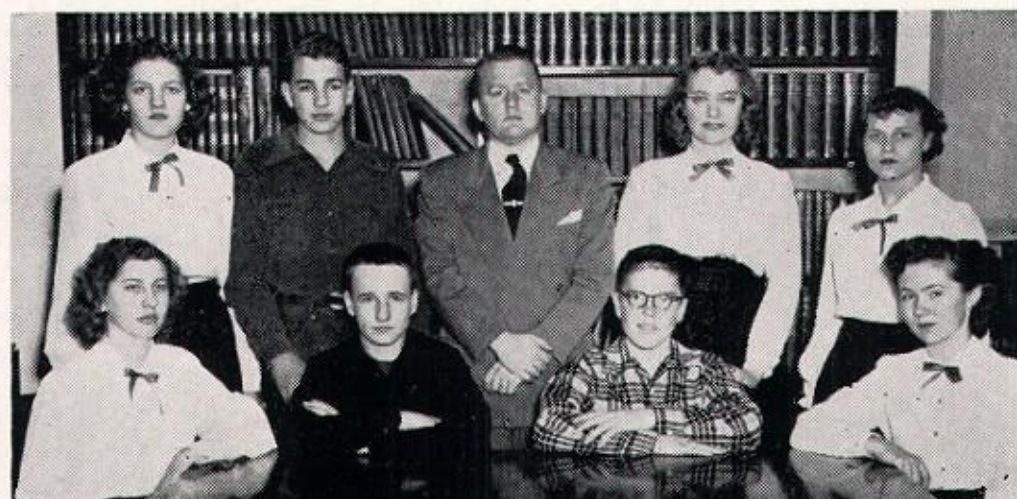

On February 25, the varsity team and Lucille Andrews, as a declamation entry, entered the District Speech League Tournament. The team tied with Port Clinton for first and lost the chance of going to the State Tourney when the tie was broken.

Senior Band

The North Baltimore School Band had a very active year. They marched, played concerts, entered contests, and in general, had fun.

Their first marching show was put on at Arlington. The theme for this was "Vacation Time".

The following day, September 15, they journeyed to Swanton to participate in the annual "Corn Festival".

The Band played at all the football games except two, these being at Clyde and Hicksville. Among the many themes presented, the most outstanding, thought by all, was the theme used at the benefit game which honored our Gene Jones. The Band first made formations which represented different sports, and then formed a G-J while leading the crowd in singing "For He's A Jolly Good Fellow".

The next big event on the Band's calendar was the homecoming. The members worked hard to make this a special event, and came up with a very good show. While using their hat lights, they made a sparkling crown, and the state of Ohio with the "Beautiful Ohio Riv-

er" flowing along its southern borders.

During the year short concerts were played for different organizations, among these being the Beet Growers Association, Parent Teacher Association, and the Community Institute.

To earn money for more uniforms and accessories to the ones already had, the Band sponsored a tag day, and the members put on a minstrel show. Both were successful, and with the money earned, a new school flag, three majorette uniforms, black citation cords, and identification patches for the uniforms were bought.

During the basketball season, pep-bands played at all home games. The whole band accompanied the team to the tournament at Bowling Green.

On March 15, the band participated in the district band contest held at Bowling Green State University.

A mid-semester concert was given in the North Baltimore School Auditorium on March 28.

The last performance was played at the Spring Festival.

At the beginning of the 1951-52 school year the chorus was reorganized under the direction of Mrs. Cleve Collar. Since then the chorus has grown until it stands at 72 voices.

The first concert the chorus gave was on the evening of November 26 for the Parent-Teachers Association. Less than a month later the annual Christmas concert was given at the high school auditorium.

No more performances were given by the chorus until the first week of February when it sang at the Farmer's Institute.

Following the concert all time and energy was directed toward the production of the operetta, "Tune In". On March 7 two performances of "Tune In" were given.

The next day the solo and ensemble contest was held at Bowling Green State University. Twelve members of the chorus were entered. Three of the soloists and a girl's ensemble received superior ratings which enabled them to attend the state solo and ensemble contest at Otterbein College.

At the mixed chorus contest on March 15 the choir received an excellent rating.

The last two Tuesdays of March and the first Tuesday of April representatives from the chorus went to Bowling Green High School to practice for the Wood County Spring Festival. These representatives, along with representatives from other county schools made up a mixed chorus of more than 100 voices. The actual performance took place on the evening of April 4.

Besides singing for the Tri-Hi-Y and Hi-Y sponsored Holy Week Services, the chorus's only other concert was the high school Spring Festival.

The Junior Classical League is a National organization of students of Latin and other students interested in the classics. The Ohio Junior Classical League was organized in Toledo in the spring of 1951. At this organization meeting David Sponsler was made a member of the State executive committee. This committee met in Middleton, Ohio, in October, 1951, to plan the annual convention, to be held on April 18-19, 1952 in Columbus with St. Aquinas High School chapter as the host.

The chapter meets once a month and presents a program, both entertaining and instructive. Latin is made more alive and interesting through the medium of the league.

At Christmas time Latin Carols were sung, and Christmas cards decorated the bulletin board. A panel of "experts" conducted a "TV" quiz program. Prizes were given to the winning contestants. The questions dealt with things Latin and Roman. The "Ides of March" was celebrated with a "Trip through Roman History," entitled, "Roamin with the Romans".

The Junior Red Cross Council

The American Junior Red Cross is the junior membership of the American Red Cross and represents them in the elementary and secondary schools - public, private, and parochial. Founded in 1917 by a proclamation of President Woodrow Wilson, it is a part of an organized humanitarian program that gives its members an opportunity to serve others in peace or war through channels correlated with the school curriculum.

The Junior Red Cross Council is made up of student representatives from each of the grades four through twelve, and two faculty advisors. This council conducts a drive for funds every year in November, and in the spring, boxes are packed for children in the United States and abroad to stimulate understanding and good will.

Nationally, Junior Red Cross members provide service to the armed forces or to veterans' hospitals by the production of special comfort and recreational items and holiday favors.

The Tigers opened the season at Pandora where they played in the Football Preview. Their opponent was Vanlue. McMahan intercepted an enemy pass in the last few seconds of play and ran about 30 yards for the winning touchdown. Clark kicked the extra point.

In the first regularly scheduled game of the season, the Tigers traveled to Arlington to meet the Red Devils. They had not been beaten since 1945 and had a winning streak that had run to 46 straight games. Only one tie marred this record. N. B. came from behind in the final quarter with Jack Siegel going over from the two yard line on a quarterback sneak. Captain Bill Winkle added the all important extra point. N. B. had upset mighty Arlington in the first game of the season 7-6 and had put an end to a marvelous winning streak.

The next week the Tigers traveled to Clyde. The game, played on a hot, balmy evening, was a scoreless affair except for a 57 yard run by Danny McMahan on a "Statue of Liberty" play for the game's only score. N. B. had won its second game 6-0.

In the first home game of the season, the Tiger's opponent was a nearby rival, Bloomdale. The home club started out slowly, but led at the end of the first quarter as a result of Bill Winkle's runs of 72 and 82 yards. A Siegel to Monasmith pass was good for one extra point and Winkle plunged for the other. Holloway scored on a one yard buck. McMahan scored twice on long passes thrown by Siegel.

The fourth game of the season was "Gene Jones Night". All proceeds of the game were given to the Coach and his family to help them pay expenses incurred by their unfortunate accident. The Tiger's opponent for this game was Maumee Valley Country Day School. Siegel passed for three T D's, Francisco, Winkle and Monasmith each catching a touch-down pass. Winkle scored again on a 20 yard run and Holloway and Bundy also added six-pointers. Clark kicked four extra points.

The next week the Tigers traveled to Fostoria to meet St. Wendelin. There they received their first defeat of the season 27-7. Jim Sterling scored N. B. 's only TD.

The following Thursday N. B. journeyed to Leipsic. There they had to come from behind in the last five minutes of play to win 25-19. McMahan scored the clinching marker by returning a punt 70 yards for a touchdown. Winkle scored twice, once on a ten yard sprint and again on a pass play, Siegel to Winkle. A Siegel to Monasmith pass was good for the other TD. Winkle scored the only extra point.

The Tigers returned home the next week to play Rossford in the Home-coming Game. This game was an offensive battle all the way, and although they lost 21-20, they made a good showing against the larger school. Winkle scored two touchdowns and Monasmith one. Clark kicked both of the extra points.

In the next to last game of the season the Tigers traveled to Hicksville. There the Tigers started strong, but had to come from behind in the last minute of play to win. Captain Bill Winkle scored all three touchdowns on runs of 43, 7 and 55 yards.

The Tigers closed out a very successful season the next week at home. Their opponent was another nearby rival, Van Buren. McMahan's long runs highlighted this game. He scored three times on runs of 29, 85 and 86 yards. Clark, Winkle, Bundy, Monasmith and Francisco each scored once. Clark kicked four extra points. Duke Flowers scored two points on a safety.

The Tigers scored 216 points to their opponents 113 for an average of 24 points per contest to 12.5 for the enemy.

The 1951-52 edition of the North Baltimore Tigers experienced one of their poorest seasons in recent years winning only 8 of 16 games and ending the season with a dismal .500 won-lost percentage.

The Tigers started the season in fine fashion winning their first game on the home floor. Milton was the victim. They then lost their next three games to; Cygnet, 46-40, to the defending State Champs, Grand Rapids, 59-38, and to Bloomdale, 68-44. The games with Tontogany and Hoytville were postponed because of weather conditions. The Hoytville game was played at a later date while the Tontogany fray was never made up.

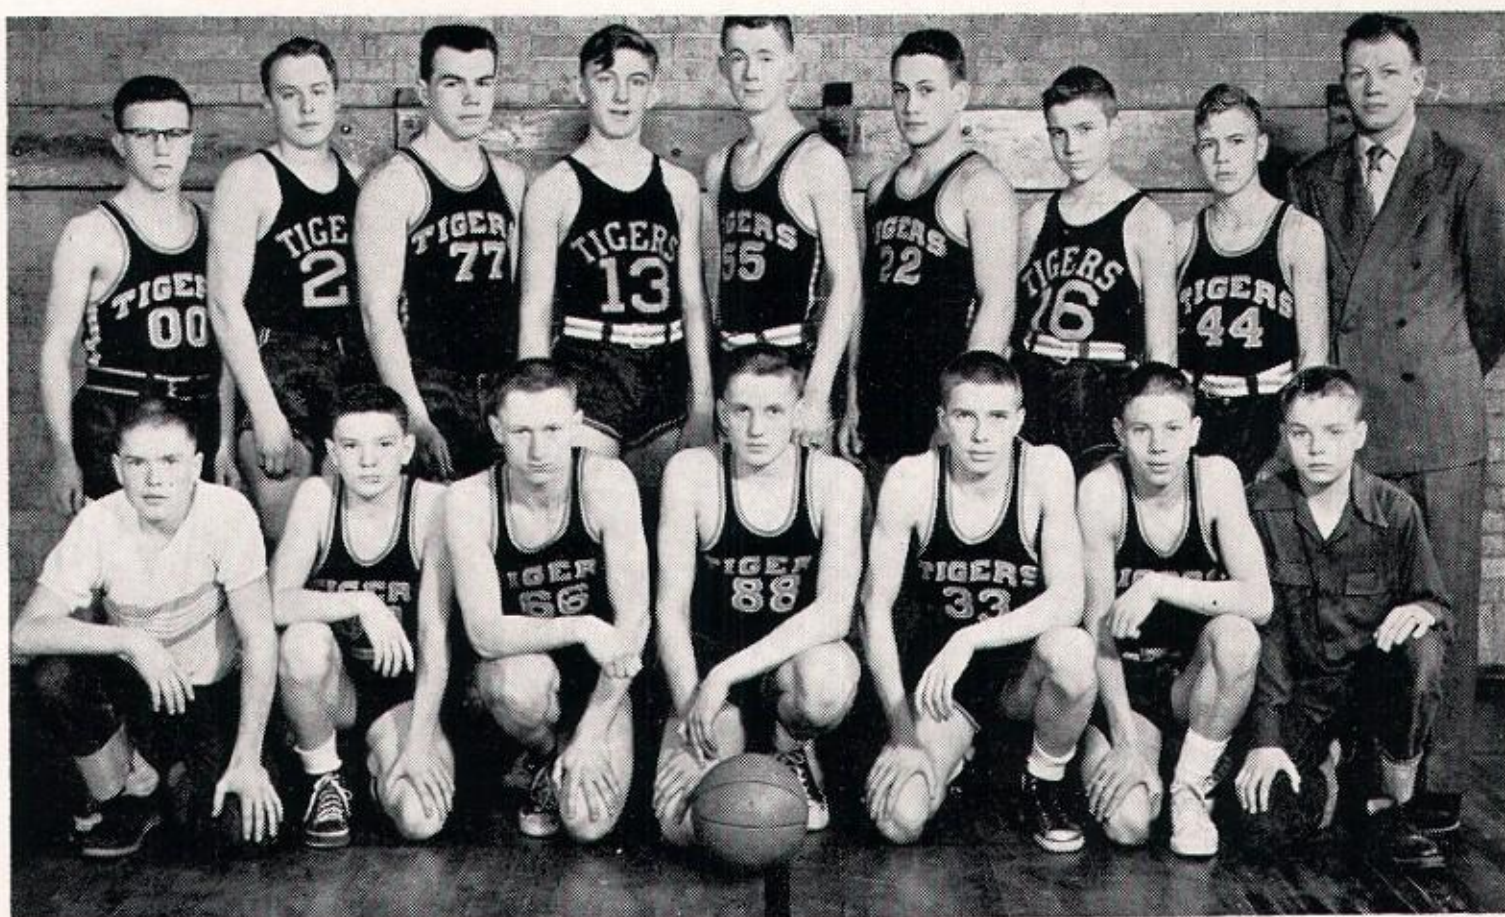

After the holidays, the Tigers came back to win three in a row, beating Liberty 49-34, Maumee Valley, 69-36 and Portage, 54-39. Then Fostoria St. Wendelin came to town and several home floor records fell as the parochial school defeated N. B., 83-49. This was the greatest number of points scored against a Tiger quintet on its home court in history. Jim Krupp, ace St. Wendelin forward, scored 39 points to break Mike Roach's individual scoring record. The Tigers then traveled to Weston where they eked out a 44-42 win. The following night the Tigers racked up their sixth win as against four losses by beating Hoytville, 53-41. Still traveling, the Bengals took a 69-49 defeat at the hands of the Carey Blue Devils. Returning home, the Tigers won a close game from Haskins, 47-46 and then got revenge from Cygnet by licking the Zippers 44-35. North Baltimore then traveled to Bluffton where they took it on the chin for the sixth time in 14 games, losing to the Pirates, 58-41. Upon returning home, the Tigers dropped the season's finale to Van Buren, 51-43.

The Tigers ended the regular season with an 8-7 won-lost record. They ended up in a tie for second place in the Western League with Liberty. At the tournament drawing the Tigers won the toss of the coin and became the fourth seeded team in the annual affair. Their opponent for the first game of the tournament was nearby Bloomdale, who had defeated the Tigers earlier in the season by a decisive margin. The Tigers played perhaps their best tourney start but, ironically enough, lost to the Bulldogs 42-39 thus dropping the curtain on the 1951-52 basketball campaign.

This is the individual scoring for this Bengal Tribe.

Pat Boney	133	Jim Clements	50
Tom Monasmith	115	Chuck Jimison	46

The North Baltimore Reserve Basketball squad continued on their winning ways again this year, ending the 1951-52 cage season with an eleven and four won-lost record. Had it not been for the sickness of numerous players during the year, the team could well have made a better showing.

The reserve team started the season by winning the first four straight games. They defeated Milton 44-31, Cygnet 43-21, Grand Rapids 39-31 and Bloomdale 40-24. The next two games were postponed because of weather conditions.

After the holidays they met a strong Liberty team and were defeated 43-30. Next they journeyed to Maumee Valley Country Day School to win by a 40-30 score. They were defeated the next two games by Portage 24-23 and Fostoria St. Wendelin 45-34. They went to grab two more victories off Weston and Hoytville. The Hoytville game was the postponed game. The Tigers went down to defeat at the hands of the Carey team by a score of 46-37. The next two games with Haskins and Cygnet were both victories for the N. B. Reserves with the scores 42-31 and 38-19 respectively. Next came the Bluffton five, but the N. B. team handled them fine by defeating them 33-25. Then came Van Buren and the last game of the season, the boys looked good and defeated the opponents 40-30.

Baney played only five games with the reserves and played the rest with the varsity. Holloway and Richmond played in only 13 games. Clark and Flowers played in five games while Miklovic appeared in 11 contests.

The individual scoring for the boys were:

Holloway	125
Pixley	113
Miklovic	93
Baney	54
Sponsler	50
Gerdeman	43
Richmond	43
Flowers	14

The Jr. High Kittens had a good season by ending it with a 11-5 won and loss record.

The Kittens won their first two games by defeating Milton 34-23 and Cygnet 27-21. They then met Grand Rapids and were defeated 34-17, and also were defeated by another strong Bloomdale team 27-23. Next they took on the Tontogany five and won 34-22. Then with a three and two record, they racked up another victory by spanking the Liberty team 27-16. After suffering another loss to Troy-Luckey, the Kittens came back to win two more, defeating Portage and Weston. Next came a strong Hoytville team. The Kittens went down in defeat when Hoytville scored the winning basket in the last five seconds of the game for a 41-39 decision. The North Baltimore Jr. High then got tough and won the next five consecutive games. They defeated Van Buren 24-19, Haskins 39-27, Van Buren again 21-17, Cygnet 30-25, and a close one with Bloomdale 28-26.

That was the end of the regular season. Next came the tournament. The North Baltimore team drew a very strong Pemberville team who defeated them 43-32.

The individual scoring follows:

McMahan	107
Sweebe	100
Slaughterbeck	92
Monasmith	73
Overmier	47
Ackerman	30
Boudrie	17

These are the girls who led our cheering sections so faithfully and well during the 1951-52 season. They kept enthusiasm aroused in the fans, and led with good sportsmanship, even to defeat. And so we say to these girls, both junior high and senior high cheerleaders, "a job well done".

How good is "good enough"?

Here in America, we're a lot less interested in answering that question than we are: "How much *better* can we do it?"

That's why last year's track records have a way of falling, this year. That's why this year's miracle drugs give way to greater medical miracles, next year. That's why we come up with television . . . then *color* television.

That's also why we come up with a good gasoline . . . then a better gasoline.

For, under the healthy, competitive system we have in the U.S.A., there is a reward in sports, in science, in *business*—for those who are not satisfied with "good enough."

As long as every individual and every company is free to seek the reward that comes with "doing it better," America will continue to be a better and better place in which to live.
